

## Creative Offset print video brochures with LCD screen embedded inside VGC-070

*Factory-based supplier in south China, Fun Technology Limited is proud to offer high quality video marketing products to all kinds of businesses in the world. Our LCD Video brochures with offset print are a fantastic way to get your point across.*

**SHENZHEN, China - Sept. 2, 2015 - [PRLog](#)** -- Innovative video brochures from Fun Technology Limited are the next generation of marketing communications. The lightweight, portable video screens are married with vibrant custom printing to deliver an impactful message in an attractive package.

Common screen sizes are 4.3" VGC-043 and 7" VGC-070 (other sizes available) with stereo speakers. The shell of your digital brochure can be a booklet style, with an auto-start video to immediately capture attention, or a button style that offers power, volume controls or navigation.

### 7" Landscape Video Brochure VGC-070

7" Diagonal - 800 x 480 pixel LCD

512K, 1GB, 2GB or 4GB

Rechargeable Lithium Battery
