### 3 Easy Steps to Customize Your Fun Video Brochure

Fun Video Brochures are paper- thin, HIGH QUALITY, full motion video content in any print media. Ideal for direct mail, magazine inserts, educational and training manuals, corporate reports, retail marketing and promotional branding campaigns.

#### Step 1

Select your company videos to showcase in your video brochure. Need new or updated videos? We can arrange professional custom videography for your project.

#### Step 2

Create your brochure artwork using our templates. Do it yourself, or let us design a beautiful piece just for you. Our Design Team will help you create a look that will make you stand out from the crowd.

#### Step 3

Share your message! Experience has taught us the best ways to present a powerful marketing message using video brochures. We'll give you guidance on how to get the best ROI.

## Ready to order your Fun Video Brochures?

Here's what to do next:

**Talk to someone today at 0086-755-27803655**

We'll set up an appointment to discuss your needs, timelines and marketing strategies to help you get the best ROI possible. We can arrange for graphic design and video production for your brochure, or give you details and templates for you to use to complete them yourself.

### Design your Card

Arrange to meet with one of our graphic designers or use your own. We provided a custom templates to create the design yourself. For details on providing your own artwork, please email us.

### Video Production & Formatting

If you want awesome videos, work with our Videographer to create a script, shoot footage and edit your videos. We also have chalkboard videos available. This process often takes the longest, so be sure to complete video production well before you'll need your video cards delivered. If you have videos already, submit them using wetransfer or dropbox. Let us know if you need help converting your videos to the proper specifications.

### Send Your Artwork Files

We'll recheck your artwork before printing. Once it is OK for print, you will receive an email confirmation. It normally takes 7 -10 working days for production.
